

# County meet this week

THE Berks and Bucks F.A. have still not taken any action over Wycombe Wanderers' refusal to accept the County Senior Cup last Monday. Secretary Charles Twelftree said yesterday, "The situation is the same as last week although we will probably be meeting in the next few days."

Meanwhile, as the Berks and Bucks F.A. at last begins to deal with this highly embarrassing situation, criticism has come from former Wanderers goalkeeper Ken Brown, who now manages Burnham F.C. in the Rothmans Hellenic League. In the club's programme notes on Saturday he writes:

"Those of us with deep connections with Wycombe Wanderers can only deplore the action taken at Chesham last Monday when the players refused to accept the trophy and plaques at the Berks and Bucks Senior Cup Final. The players should not have been placed in this position by a club of Wycombe's standing over a dispute with the B. & B. F.A. regarding the London Senior Cup. Whoever conceived the idea has done himself and the club a lot of harm — one we shall hear a great deal more about.

Roy Sleaf, the Slough manager, whose club has also been a victim of the Berks and Bucks F.A.'s decision regarding the London Senior Cup, agreed that something must be done but thought Wycombe's action could have upset Thatcham.

"It was their day as well," he said. "They really did well to get to the final and I don't think Wycombe's action was fair to them.

"But I feel and know other clubs in the counties do likewise, that we have been unfairly treated by the county officials. We must take other action such as refusing to loan our grounds to them or find other ways to express our dissatisfaction. They want everything their way and are not prepared to give an inch to the clubs."
